Managers' Notes

Good evening and welcome to the Theatre of Trees for this SCFL Premier match. Today we host the players management and supporters of Saltdean United and of course our match officials. We hope they all enjoy our hospitality.

It seems an age since our last home match when we produced a very disciplined performance to defeat improving Eastbourne Utd 2-0. In fact Hassocks are the only other team to have beaten Eastbourne Utd in the league since the first week in September.

Our two away games produced an amazing 15 goals for and one dubious penalty against. This is the ruthlessness we must maintain if we are to keep in the leading pack as there are many teams who will feel a decent run can get them into the top five or six.

We are still without Devon Fender who is struggling to shake off a hamstring injury and Terrell Joseph whose ankle injury is not as bad as it might have been but will still see him out till the new year. Ryan Ferrar is being eased back to full action.

Saltdean have slipped down the league since we last met but they were a difficult team to play against when we journeyed to Hill Park and I am sure we will have to be at our best to get another three points to keep us on the tails of the leaders.

Enjoy the game
Jack and Jimmy

TODAY'S

VISITORS

Saltdean United formed in 1966 by seven founding members who were inspired by the victorious England World Cup campaign. The club started life in the local Brighton Saturday League and gradually moved up their divisional structure over the years. Following the acquisition of their picturesque ground at Hill Park in the suburbs of Brighton, the club joined Division 3 of the Sussex County League in 1984/85, finishing third in their first season. More success followed and a promotion to Division 2 and senior football came in 1988/89 when Saltdean finished as champions. The next seven seasons were spent in this division, with the "Tigers" comfortably winning Division 2 in 1995/96 with games to spare. Promotion to Division 1 saw the clubhouse completely revamped and floodlights installed, the first Sussex County League club to invest in the impressive Musco system from the USA. The Tigers quickly established themselves as a force in the top division, finishing 4th in their inaugural season and reaching the final of the Sussex Senior Cup only to narrowly lose out to St. Leonards by the odd goal. In 1998/99 the club finished 2nd, and 3rd in 1999/2000 season when they also lifted the John O'Hara Cup, beating Burgess Hill Town after extra time in a thrilling match at Three Bridges. In 2002 the club suffered its first ever relegation to Division 2 and in 2007 were relegated again back to Division 3 where they remained for several years until 2011 when the club won the Sussex County League Division 3 Challenge Cup. A positive run in 2011/12 season saw the Tigers show their true spirit as they began the steady climb back up. As runners up in the league they were promoted back to Division 2 and lifted the Vernon Wentworth Cup. A difficult period followed, with several years spent in the lower half of Division 2 until the 2015/16 season when a change of circumstances, interest and investment in the club brought a new lease of life to the Tigers. Led by a celebrated ex player with the support of local businessmen the club was transformed on and off the pitch. Within a single season Saltdean Utd went from bottom to top of the league gaining promotion back to the top flight of Sussex football in 2017 and in 2018/19 the Tigers were the proud winners of the Peter Bentley League Challenge Cup. In 2017 the Saltdean United Women's team were formed under the management of Joe McTiffen. The Women have gone from strength to strength and have enjoyed several promotions in a short period of time. As runners up of the Sussex Women's league in 2017/18, they were promoted to the South East Counties Premier Division. In 2018/19 as runners up in the league they were promoted to the London and South East Premier Division and were winners of the South East Counties Women's League Cup.

Into a new decade and the Men's First Team enjoyed a strong start to the 2020/21 season in the Southern Combination Football League Premier Division before the season was curtailed due to Covid-19. The 2021/22 season saw another strong finish for the Men's First Team as runners up in the league and the Sussex RUR Cup, missing out narrowly on both titles. Despite finishing second in the league, Saltdean missed out on promotion to step 4 due to not

The 2022/23 season saw a new young side put together under the management of Bradley Sweetman. The Tigers made a good start and held their own in a very difficult division for an inexperienced side. After hovering above the relegation places for most of the year, a difficult decision to relieve Brad of his duties was made, with Joe Mctiffen coming in to take the reins for the last six games, assisted by Paul Stokes. The Tigers finished the season by winning three, drawing one and losing the other two. This saw us comfortably confirm our place in the Premier division for another season after finishing six points clear from relegation. The Women's First team continued to impress in tier 5 after finishing joint fifth in a very competitive division. Competing against the likes of Fulham, Dartford, Millwall and Dulwich saw the Tigers only lose seven games all season. The Development Squad reached the league cup final, narrowly losing to Shoreham Ladies. The 2023/24 season saw Kieran Ridley begin his reign as the men's manager and although it was a difficult season, the men finished the campaign nine points clear of relegation. The women's section had a historic year with the 1st team reaching the 1st round proper of the FA cup, and the development squad winning a fantastic treble which saw them gain promotion in to tier 6. In what is now a very exciting year for the club which sees the legacy project in full swing. The brand new two storey clubhouse build has begun and we look forward to this being fully completed by April 2025 before a top of the range 3G surface is installed.

RUTHLESS BOARS GO THIRD

Loxwood 1 – 8 Roffey

Roffey made the short trip to local rivals Loxwood knowing that if results went for them they could end the day in third place in the Premier Division. Without Clyde Jacques, Jamie Wanstall, Devon Fender, Ryan Ferrar and skipper Ricardo Fernandes they took on a young Magpies team who had been struggling in recent weeks.

The pattern was set from the start with the Boars having the bulk of possession and patently moving the ball around to try and open up the deep lying home defence, whilst Loxwood looked to catch their opponents on the break. It only took ten minutes to break the deadlock when Jake Le Grange got in behind his full back and pulled back an inviting pass for top scorer Jordan Mase to drill into the bottom corner. Loxwood came close themselves when a bit of casual defending left Monty Watson Price to block a close range shot.

On thirty one minutes, following a corner, the ball found it's way to Dan Pearse and he made no mistake to extend the Boars lead. Mase fired wide and McLean saved well from Tolfrey but had no chance when the Boars striker fed Cavan Chedzey who finished clinically. Loxwood were still able to break and Watson Price made another good block to keep them out. But in the last minute of the half Mase drilled the ball through a crowd of players and into the bottom corner to make it 4-0 at the break.

Loxwood knew they would have to get back into the game quickly and for the first twenty minutes of the second half had their fair share of possession but couldn't get past the experienced Boars backline of Jack Poplett, Danny Pappoe and Ash Mutongerwa. Another corner on 70 minutes saw another Dan Pearse goal. His brother James who along with Dan had controlled the midfield went off with a minor injury with Elliot Hanslow coming on Shaun Findlay moving into the back three and Mutongerwa pushing into midfield. The changes only served to encourage the Boars to push forward even more and a slick passing move between Mase Chedzey and Mutongerwa saw Pearse get his hatrick with a deflection giving Maclean no chance.

Next 17 year old Bailey Moyo who had replaced 18 year old Chedzey cut in from the left and found the bottom corner with a sweet strike for his first senior goal. Another smart interchange of passes in and around the penalty box saw Pearse notch is fourth. Then in the last minute the ball was cleared from the Roffey penalty area and a Loxwood striker appeared to run into the defender, however the ref decided it was a penalty and Louis Chin made no mistake from the spot to give the home team a small consolation.

With Petersfield and Haywards Heath drawing, Roffey moved up to third. Although it is obviously still early in the season, the Boars do seem to be hitting form and also showing a good depth and balance in their squad with 6 players 18 or under in the match day squad which will be further strengthened by the signing of Josh Neathey from Horsham YMCA who was in the crowd having not been registered in time for the game.

Roffey: Watson Price, Le Grange, Findlay(Shorey), Mutongerwa, Pappoe, Poplett, D Pearse, J Pearse(Hanslow), Mase, Chedzey(Moyo), Tolfrey (Joseph) Sub: Potter
